

# 18<sup>TH</sup> ANNUAL CAPITAL DEFENSE WORKSHOP

## About the Workshop

Attorneys representing defendants charged with capital murder or sentenced to death must attend at least six hours of specialized training in capital litigation and an additional four hours of forensic evidence training as set forth in §19.2-163.8(A) of the Code of Virginia. Attendance at the entire workshop will satisfy this training requirement and provide an opportunity to hear leaders in the field of capital defense. There are 11 hours (1 ethics) of MCLE credit anticipated. This workshop welcomes capital defense lawyers who are dedicated to saving the world, one life at a time.
